

ENVIRONMENTAL GROUPS DORSET

Amphibian and reptile conservation

<https://www.arc-trust.org>

<https://www.facebook.com/ARCTrust>

http://www.twitter.com/ARC_bytes

<https://www.instagram.com/arc.trust.official/>

Amphibian and Reptile Conservation - help us give a voice to the UK's disappearing frogs, toads, newts, snakes and lizards...

BH Active Travel.

<https://www.bhactivetravel.uk/>

<https://www.facebook.com/groups/bhactivetravel/>

<https://twitter.com/bhactivetravel>

BH Active Travel is a voluntary group, working alongside BCP Council since the 90's championing better walking and cycling infrastructure in Bournemouth, Poole and Christchurch

BH Green Drinks

Green Drinks is an opportunity to meet like-minded people, and get inspired about the way forward for this precious planet of ours, all with a glass of your favourite tippie in hand.

NB. This Group is now linked to Transition Bournemouth. There events will be very much continuing and they will be advertising them via there Transition Bournemouth face book page <https://www.facebook.com/TransitionBournemouth/> and there website <https://transitionbournemouth.wordpress.com/>

BCP Green Party

<https://bcp.greenparty.org.uk/>

<https://www.facebook.com/thegreenparty>

We believe that a system based on inequality and exploitation is threatening the future of the planet on which we depend, and encouraging reckless and environmentally damaging consumerism.

BCP Growers

<https://www.facebook.com/groups/bcpgrowers/>

This group is for the people of Bournemouth, Christchurch and Poole in Dorset to inspire and encourage growing our own fruit and veg! From windowsills and balconies to veg patches and allotments, all levels of growers are welcome in our community!

Birds of Poole Harbour

<https://www.birdsofpooleharbour.co.uk/>

<https://www.facebook.com/BirdsOfPooleHarbour>

A charity completely dedicated to boosting the profile of bird CONSERVATION, OBSERVATION and EDUCATION in and around Poole Harbour. From local schools, passionate residents and intrigued tourists, Birds of Poole Harbour offers a unique learning opportunity to a large audience.

Christchurch Climate Action Group

<https://www.facebook.com/groups/3507467962641500>

The meeting place for everyone in Christchurch Dorset who share concerns about the future of our environment. We are all responsible to make the changes necessary in order to create a sustainable future for our children and grandchildren, because there is no Planet B

Dorset Community Assemblies

<https://www.facebook.com/Dorset-Community-Assemblies-115248583729655/>

We believe in bringing communities together. A space where everyone's voice can be heard. Dorset Community Assemblies aims to promote People's Assemblies (PAs) and provide PA facilitation training in the Dorset area.

Dorset Action

<https://dtaction.co.uk/>

This site is here to inform you of various campaigns in Dorset that tackle the climate & ecological emergency. As the site grows we will add new pages with campaigns, information, contacts and links to relevant groups in Dorset.

Dorset Climate Action Network

<https://www.dorsetcan.org/>

<https://www.facebook.com/groups/147832150657785>

DorsetCAN (Dorset Climate Action Network) is a network of community groups and individuals working together for a shared vision of a clean, green, sustainable Dorset - taking action together.

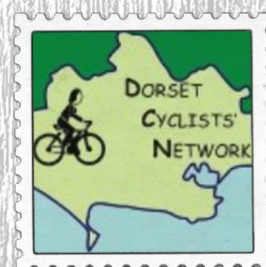

Dorset Cyclists Network

<http://www.dcn.org.uk/>

<https://www.facebook.com/Dorset-Cyclists-Network-110816905668560/>

DCN campaigns on behalf of cyclists and promotes cycling in cooperation with local authorities, police and other environmental organisations

Dorset Countryside Volunteers

<https://www.dcv.org.uk/>

<https://www.facebook.com/groups/dorsetcountrysidevolunteers>

We are independent group of volunteers who undertake work associated with the countryside and conservation, on behalf of charities and other organisations involved in conservation or the improvement of public amenities anywhere within the county

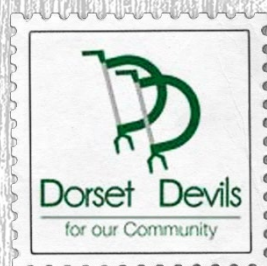

Dorset Devils

<https://dorsetdevils.org/>

<http://facebook.com/dorsetdevils>

<http://twitter.com/dorsetdevils>

Dorset Devils are like-minded residents who volunteer their free time to clear litter from where they live as well as nearby parks and our beautiful beaches, when it suits. We are each fully kitted out as we look after our own patch and hope to encourage others to manage their own litter and raise awareness. We do it for ourselves, our community, our neighbourhood and our environment. We want our local areas to be as litter free as possible but that means everyone needs to play their part for this to happen.

Dorset Equality Group

<http://dorsetequalitygroup.org.uk/public/index.php>.

https://www.facebook.com/dorsetequality/about/?ref=page_internal

Email: dorsetequalitygroup@gmail.com

The Dorset Equality Group has been formed to give Dorset residents a focal point to campaign for greater income equality and is affiliated to the national campaigning group The Equality Trust

Dorset Growers

<https://www.facebook.com/groups/dorsetgrowers/>

This group is for the people in Dorset to inspire and encourage growing our own fruit and veg! From windowsills and balconies to veg patches and allotments, all levels of growers are welcome in our community!

There are Growers Groups sprouting up all over the county, all with the aim of building a supportive community, street by street, town by town throughout Dorset.

Our aim is to encourage, inspire and educate each other in growing together, not only fruit and veg but as a community.

Please be kind, we are all learning as we go. We understand some growers are more experienced than others, but please be considerate and supporting!

Let's Grow Together !

Dorset Mammal Group

<https://dorsetmammalgroup.wordpress.com/>

<https://www.facebook.com/Dorset-Mammal-Group-Hedgehog-Friendly-Towns-and-Villages-618295131546568>

Email: chair@dorsetmammalgroup.org.uk

The DMG was initiated in 2012 to absorb the work of the Dorset Badger Group and to take forward the work of the Dorset Otter Group. Embracing ALL Dorset mammals, it is steadily expanding its areas of competence and interest as members with other backgrounds join and contribute

Dorset and Hampshire Eco Club

<https://www.facebook.com/groups/2293919387594291/>

A group to share ideas and inspiration for living a more eco-friendly lifestyle

Dorchester Trees

<https://dorchester-trees.org.uk/>

<https://www.facebook.com/DorchesterTrees>

<https://twitter.com/dorsetandbeyond>

Encouraging people of all ages to explore and celebrate the wonderful trees in Dorchester, their culture and history, and supporting more trees being planted for the benefit of the town now and into the future

East Dorset Friends of the Earth

<https://friendsoftheearth.uk/groups/eastdorset>

<https://www.facebook.com/East-Dorset-Friends-of-the-Earth-147733011984947/>

East Dorset Friends of the Earth is part of a movement creating a safer climate, flourishing nature, and healthy air, water and food, now and for future generations. We campaign for change in our community to make a difference to the environment locally, nationally, and globally.

Extinction Rebellion Bournemouth, Christchurch & Poole

<https://www.facebook.com/XRBournemouth/>

<https://twitter.com/xrBmthXchPoole>

Email xrbournemouth@gmail.com

The aims of Extinction Rebellion BCP are to drive radical change through non-violent means, in order to reduce the risk of human induced climate catastrophe, halt biodiversity loss and minimise the risk of human extinction and ecological collapse.

Extinction Rebellion Bridport

<https://www.facebook.com/BridportExtinctionRebellion/>

<https://www.facebook.com/xrdorchesterweymouthportland>

<https://twitter.com/XRDWP>

Email xrdorchester@gmail.com

Friends of Turner's Nursery (Upper Parkstone)

<https://www.facebook.com/groups/148831245150425/>

Email: friendsofturnersnursery@gmail.com

We are a group of people who live in Upper Parkstone and who wanted to see the bramble patch at Turner's Nursery opened up for use by the community and protected from over-development. We believe that all open space in Poole is precious.

Friends Of Uddens & Cannon Hill Woodlands

<http://www.cannonhillfriends.org.uk/>

<https://www.facebook.com/CannonHillFriends>

http://twitter.com/intent/user?screen_name=Uddens

Email admin@cannonhillfriends.org.uk

The Friends of Uddens & Cannon Hill Woodlands is made up of local residents, environmentalists, business people and users of the Castleman Trailway.

We were set up to protect this much used and loved area of woodland along with the Castleman Trailway from any inappropriate development.

Bournemouth & Poole Greenpeace

<https://www.facebook.com/BHgreenpeace/>

https://twitter.com/Bournemouth_GP

https://www.instagram.com/greenpeace_bournemouth/

A friendly local group of active individuals who run Greenpeace campaigns in the Bournemouth and Poole area. You can also join our group on the Greenpeace Greenwire communication network here:- <https://greenwire.greenpeace.org/uk/en-gb/groups/bournemouth-poole-greenpeace>

Frack Free Dorset

<https://www.facebook.com/FrackFreeDorset>

https://twitter.com/Frack_Off

Email info@frackfreedorset.org

Community group based in Dorset who want to protect the Dorset environment from Fracking.

Grounded Community (Boscombe)

<https://groundedcommunity.co.uk/>

<https://www.facebook.com/groundedcommunitycharity/>

<https://www.instagram.com/groundedcommunitycharity/>

Email: hello@groundedcommunity.co.uk

We're a charity based in Boscombe, Bournemouth. We work with others to give our community access to healthy, nutritious food. Our mission is to educate, share and grow, so we can connect members of our community with nature, with food and with each other.

Litter Free Coast and Sea Dorset

<https://www.litterfreecoastandsea.co.uk/dorset/>

<https://www.facebook.com/LitterFreeCoastandSea/>

<https://www.instagram.com/litterfreecoast/>

TWEETS BY @LITTERFREECOAST

Litter Free Coast and Sea is a strategic approach to creating better quality local environments for everyone along the Dorset and East Devon coast.

Lyme Garden Growers

<https://www.facebook.com/groups/486481328566802/>

We'd like to see our local food miles turned into food feet with a local garden growing scheme and farmers market. We're working together as new and experienced growers to get the most out of locally grown fruit, veg, produce and plants.

Turn Lyme Green

<https://turnlymegreen.co.uk/>

<https://www.facebook.com/TurnLymeGreen/>

<https://twitter.com/TurnLymeGreen>

Email: enquiries@turnlymegreen.co.uk

Turn Lyme Green promotes sustainable living in Lyme Regis. Set up in 2007, we engage the community in environmental issues. We meet regularly, plan campaigns and events, and have fun. Collaboration with other environmental groups in West Dorset and beyond is an important part of keeping everyone informed and up to date. TLG acts local, thinks global.

Lyme Regis One Planet Working Group

<https://opwg.org.uk/>

<https://www.facebook.com/LymeRegisOPWG>

Email: chair@opwg.org.uk

The aims of Lyme Regis One Planet Working Group are to encourage and assist all people and organisations in Lyme Regis to play their part in achieving net zero carbon

Oceans to Earth (formally GoPladdle, young active group based in Poole):

<https://oceanstoearth.com>

Oceans to Earth is a UK-based community interest company based in Poole, Dorset. The organisation aims to help make the world become a better and cleaner place. It is committed to building strong relationships with individuals, businesses, schools and other organisations to help them find cost effective solutions to their own environmental challenges around waste and carbon offset.

The Parks Foundation

<https://parksfoundation.org.uk/>

<https://www.facebook.com/TheParksFoundation>

Email: info@parksfoundation.org.uk

We're a registered charity raising funds and awareness to support Bournemouth, Christchurch and Poole's parks, gardens and open spaces for now and future generations. The objectives of the charity are to:-

- Provide and enhance the facilities of parks and green spaces within Bournemouth for the benefit of the community.
- To advance public education in subjects related to parks and green spaces.
- To provide leisure and recreation facilities supporting social welfare

Plastic Free Lyme Regis

<https://www.plasticfreelyme.uk/>

<https://www.facebook.com/PlasticFreeLymeRegis/>

Email: info@plasticfreelyme.uk

Plastic Free Lyme Regis aims to Reduce, ReCycle, ReUse and ReFill plastic. We aim to stop single use plastic in Lyme Regis across all business sectors and areas of our life in this beautiful part of the world.

Plastic-Free Poole

<https://www.facebook.com/PlasticFreePoole>

A Surfers Against Sewage initiative aimed at making our communities as plastic free as possible.

Plastic-Free Purbeck

<http://www.plasticfree.org.uk/>

<https://www.facebook.com/Plastic-Free-Purbeck-726936367640329>

Planet Purbeck

<https://planetpurbeck.org/>

https://twitter.com/Planet_Purbeck

<https://www.instagram.com/planetpurbeck/>

<https://www.facebook.com/PlanetPurbeck>

Email media@planetpurbeck.org

Planet Purbeck is a movement that gathers together individuals, groups and organisations who understand that climate change and biodiversity loss jeopardise everything we hold dear – and want to do something about it.

Litter Free Purbeck

<http://litter-freepurbeck.org.uk/>

Litter-Free Purbeck is an alliance of community litter campaign groups in and around the Isle of Purbeck peninsula. Whether you live in, work in or just visit this beautiful place, please join us in keeping it litter-free for everyone to enjoy, now and in the future.

Swanage Beach Buddies (part of Litter-free Purbeck)

Co-Ordinator: Dave Pratten, swanagebeachbuddies@gmail.com

Clean Up Corfe (part of Litter-free Purbeck)

Co-Ordinator: Liz Spicer-Short, litterfreepurbeck@gmail.com

Harman's Cross About Litter & Worth Picking Up (part of Litter-free Purbeck)

Co-Ordinator: John Kirwin, litterfreepurbeck@gmail.com

Swanage Landers (part of Litter-free Purbeck)

Coordinator: Frank Roberts swanagelanders@herstoncross.co.uk

Wareham Wombles (part of Litter-free Purbeck)

Co-Ordinator: Harold Forbes, litterfreepurbeck@gmail.com

Love Langton (part of Litter-free Purbeck)

We organise a group litter pick two and sometimes three times a year in and around the Langton Matravers and the hamlet of Acton. As well as the village centres, our litter picks cover the many footpaths across the surrounding countryside, including coastal ones and the well known beauty spot, Dancing Ledge, an old cliff-side stone quarry. So, as with many of the L-FP litter picks, you to take in a lot of the beautiful countryside and coastal views here while beautifying it further by removing rubbish left by the thoughtless few.

Portland 4 the Planet

<https://www.facebook.com/portland4theplanet/>

<https://www.facebook.com/groups/1016423688747580>

Email portland4theplanet@gmail.com

This is a place for Portlanders of all ages to help educate and empower each other to be better stewards of looking after our Island and the planet.

Stop Portland Waste Incinerator

<https://stopportlandwasteincinerator.co.uk/>

<https://www.facebook.com/stopportlandwasteincinerator>

Email: stoppwi@gmail.com

Our campaign aims to:

- Stop Powerfuel Portland building a massive incinerator at one of the most prominent, iconic and environmentally sensitive locations on the Dorset Coast
- Raise public awareness of the proposed incinerator and our concerns about it
- Gather over 5000 signatures for a petition against the proposed incinerator
- Raise funds to pay for a specialised, professional planning report, advertising, leafleting and more
- Keep the public informed of developments
- Advise, assist with and co-ordinate written and oral objections to the planning application

Repair Café

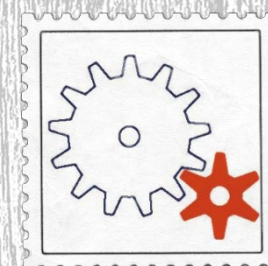

<https://repaircafe.org/en/>

<https://www.facebook.com/RepairCafeBH>

Email transitionbournemouth@gmail.com

Transition Bournemouth set up the Bournemouth Repair Cafe to help local people to keep their broken items out of landfill and shares fixing skills all while enjoying a nice cuppa and cake!

<https://transitionbournemouth.wordpress.com/>

Resurgence Dorset

<https://www.facebook.com/groups/723371045036031>

If you fancy coming along to interesting talks and films on environmental or social justice issues, and socialising with like-minded folk, this is the group for you! Our name 'Resurgence Dorset' was chosen after merging our environmental community group with the Dorset 'Resurgence

& Ecologist' magazine readers' group which meets monthly on a Saturday or Sunday either at Hilfield Friary (NW of Dorchester) or (on a Monday evening) in Sherborne. If you haven't come across the Resurgence & Ecologist magazine, I would highly recommend subscribing, as it's an excellent, non-profit bi-monthly magazine. We also meet up along with the Sustainable Dorset group every 2 months, on a Sunday afternoon, at Springhead, Fontmell Magna, for talks or films on important environmental and ethical issues, followed by questions and discussions

Planet Shaftesbury

<https://www.planetshaftesbury.org/>

<https://www.facebook.com/planetshaftesbury/>

<https://twitter.com/PShaftesbury?lang=en>

Email planetshaftesbury@gmail.com

We are a group of local people who share a concern about climate breakdown and the ecological emergency. We all feel driven to respond in our own way. Coming together we make up a network of diverse individuals willing to share skills and experience. Planet Shaftesbury stands with anyone who cares about our planet. We seek changes that will contribute to nature's recovery and enable us to adopt more sustainable lifestyles for ourselves and across the Shaftesbury area.

Slades Farm Conservation Group

<https://www.facebook.com/groups/204030373026932/>

The Slades Farm Conservation Group was formed by Transition Bournemouth. Slades Farm Community Garden is still continuing as a project. The Face book page will remain active and will be bringing you news, information and tips on all the activity connecting to Slades Farm Community Garden.

You can also join Transition Bournemouth Discussion Forum <https://www.facebook.com/groups/transitionbournemouth/>

Sobo Wastebusters Group

<http://www.sobowastebusters.com/>

<https://www.facebook.com/sobowastebusters>

<https://twitter.com/hashtag/SoboWastebusters/>

We are a group of concerned individuals based in Southbourne Dorset who'd like to provide a practical contribution towards making our local area more sustainable and less wasteful.

SOS Save Our Shores

<https://www.facebook.com/SOSBournemouth>

<https://twitter.com/sosbournemouth>

https://www.instagram.com/saveourshores_bournemouth/

We are a collective of organisations and people working together to stop further oil drilling in the areas of our protected marine zones in and around Poole Bay, and to reduce the extraction of fossil fuels in Dorset

Sustainable Dorset

<https://www.sustainabledorset.org/bournemouth/>

<https://www.facebook.com/SustainableDorset/>

<https://twitter.com/SustainDorset>

Is the central hub of all sustainable and resilient activity across the county. We aim to raise awareness and so increase interest and involvement in sustainability. We connect people and communities, supporting individual well-being, community enterprises and businesses in order to nurture resilience. We bring together the many and diverse sustainable activities across the region, and showcase to the world at large what we are already achieving.

Stour Valley Supporters

<https://www.facebook.com/stourvalleysupporters>

We are the Stour Valley Supporters. A local community group dedicated to promoting and enhancing the beauty of the Stour Valley Local Nature Reserve.

Tatnam Organic Patch

<http://tatnampatch.org.uk/>

<https://www.facebook.com/groups/7591023254/>

Community Allotment in Oakdale, Poole, Dorset. Tatnam Organic Patch is a community garden and organic allotment, in Poole, Dorset. The patch is a thriving community organic allotment, and an urban haven for wildlife, with many plants and trees introduced to raise the biodiversity of, in particular, butterflies and moths.

Preserve Talbot Heath, Poole

<https://www.facebook.com/groups/458302160575>

Talbot Heath SSSI Nature Reserve is the last remaining lowland heathland in the heart of Poole/Bournemouth that is not completely encircled by development. In 2012, residents successfully campaigned to stop Highmoor Farm being developed into a housing estate. Talbot Village Trust (the Landowner) now wants to build a so-called Innovation Quarter on Highmoor Farm. The Preserve Talbot Heath Facebook Group brings together people who want to safeguard Talbot Heath's extraordinary and protected wildlife for the enjoyment of future generations. Saving Highmoor Farm from development is essential to achieving this objective

Transition Town Blandford Forum

<http://transitionblandford.co.uk/>

Email info@transitionblandford.co.uk

The Blandford group are looking to build local resilience to external influences and change, in particular climate change and extreme weather events, economic fluctuations such as

the 2008 crash as well as oil dependency and commodity price shifts and finally the impending changes of automation and AI.

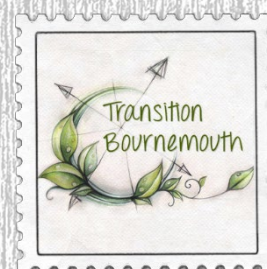

Transition Bournemouth

<https://transitionbournemouth.wordpress.com>

<https://www.facebook.com/TransitionBournemouth/>

<https://twitter.com/TransitionBMTH>

Transition Towns initiatives are local communities who are reducing the effects of peak oil and climate change. As part of this thriving local, national, and international movement, Transition Bournemouth helps bring people together and tries to create a better, more sustainable, resilient, and environmentally friendly place for us all to live. Part of <https://transitionnetwork.org/>

Transition Town Dorchester

<https://transitiontowndorchester.org/>

<https://www.facebook.com/groups/156506107774100>

Transition Town Dorchester is an environmentally aware and social group. Our aims are to help our community face the dual challenges of climate change and peak oil.

By sharing knowledge and information we hope to assist the community to live in a more sustainable way. We meet at the Community Farm in Poundbury on Sunday afternoons and from 16:00 ish most weekdays

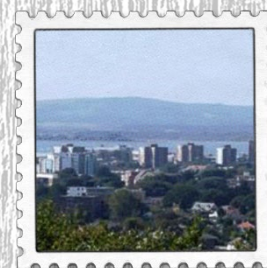

Transition Town Poole

<https://transitionpoole.org.uk>

<https://www.facebook.com/groups/224796690864695>

Email: transitiontownpoole@gmail.com

brings together people in Poole who want a future that is low-carbon, socially just, healthier, economically sustainable and gentle on the Earth. We support positive projects for change, reskilling people to rely less on oil, reducing their personal carbon footprint and rebuilding a sense of community.

Transition Town Weymouth and Portland

<https://ttwp2017.wordpress.com/>

60mairi@gmail.com

We are a group of people in and around Weymouth and Portland who want to create a more resilient, locally-based life-style. We support and encourage local people to be practical and positive in their response to current issues such as climate and ecological emergency. We accept that campaigning can help change attitudes in national or local government and other organisations, but the emphasis of the Transition Towns movement is to provide practical action at a grass-root level.

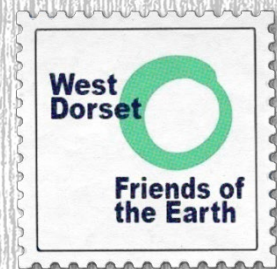

West Dorset Friends of the Earth

<https://www.westdorsetfriendsoftheearth.org.uk>

<https://www.facebook.com/westdorsetfoe>

info@westdorsetfriendsoftheearth.org.uk

Friends of the Earth acts on behalf of the planet and for everyone who lives there. West Dorset is a local group. The West Dorset group has campaigned for renewable energy, planting more trees, reducing the amount of plastic we produce.

Wimborne War on Waste.

<https://www.wimborne.info/war-on-waste>

<https://www.facebook.com/WimborneWaronWaste/>

https://www.instagram.com/wimborne_war_on_waste/

Email wimbornewaronwaste@gmail.com

WoW is a focused and dynamic grassroots community group that seeks to raise awareness about the environmental impact of single use plastic. Our aim is to inspire people to rethink and reduce their use of single use plastic, in particular disposable coffee cups, plastic bottles, straws and bags. We work closely with local Councils, MPs, Charities and other community groups. WoW is leading the local community in becoming a 'Plastic Free' Community. WoW is leading the local community in reducing single use plastic.

Your Planet Doctors

<http://yourplanetdoctors.org/>

<https://www.facebook.com/yourplanetdoctors/>

Email : yourplanetdoctors@gmail.com

A group of like-minded individuals who care passionately about protecting your health by protecting our planet .
Environmental Conservation Organization in Christchurch, Dorset. DRIVEN BY CLIMATE CHANGE. INSPIRED BY ACTION

Zero Carbon Dorset

<https://www.zerocarbodynamics.com/zerocarbondorset.html>

<https://www.facebook.com/ZeroCarbonDorset>

Zero Carbon Dorset exists to develop a vision for zero carbon living across Dorset and to track our progress towards it.

One Planet Conservation Awareness sets out to make conservation news more widely available for the people. We set out to teach the next generation, offer opportunities for young professionals and offer support for small organisations.

Plover Rovers - Talking the Coast

<https://www.plover-rovers.com/>

<https://www.facebook.com/ploverrovers/>

Email plover.rovers@gmail.com

The Plover Rovers are a registered charity (1189992) dedicated to enhancing ocean literacy and empowering coastal communities through delivering exciting scientific talks all along the English Coast Path.

Marinet

<http://www.marinet.org.uk/>

<https://www.facebook.com/MarinetUK/>

Marinet UK is a community marine campaigning organisation, incorporated as a non-profit limited liability company, open to all who believe in protecting the oceans. Our first loyalty is always to the seas and oceans which we seek to protect.

Somerset Climate Action Network

<https://somersetcan.org.uk/>

Somerset CAN is made up of a large diverse group of people from across the county who want to make a difference. Everybody is welcome

South East Climate Alliance

<https://seclimatealliance.uk/about/>

The South East Climate Alliance (SECA) is a coalition of local environmental, community and faith groups from the South East of England uniting for urgent action on climate change. It acts as an informal umbrella group and has been set up to share ideas and coordinate action

Ringwood Actions for Climate Emergency (RACE against time)

<https://www.raceagainstime.org.uk>

<https://www.facebook.com/groups/521119522007173/>

Email ringwoodraceagainstime@gmail.com

The group aims to share ideas and agree actions that members of the Ringwood community can take to help address the carbon footprint and biodiversity of the area. It is designed to be a

positive way of channelling the energy of the community to make a difference. All ideas, small and large are very welcome.

Sea Horse Trust

<https://www.theseahorsetrust.org/>

<https://www.facebook.com/groups/theseahorsetrust/>

<https://twitter.com/seahorsecharity>

<https://instagram.com/seahorsetrust>

Email theseahorsetrust@gmail.com

The Seahorse Trust was set up in 1999 as an umbrella organisation to preserve and conserve the natural world, especially the marine environment using Seahorses as our flagship species. We work in partnership through a Seahorse Alliance with many organisations and people from all over the world and it is this unique partnership that allows us to achieve so much in the conservation of seahorses and their environment for the future. Based in Devon

Sea Shepherd UK

<https://www.seashepherd.org.uk/>

<https://twitter.com/SeaShepherdSSCS>

Established in 1977, our mission is to end the destruction of habitat and slaughter of wildlife in the world's oceans in order to conserve and protect ecosystems and species. We use innovative direct-action tactics to investigate, document, and take action when necessary to expose and confront illegal activities on the high seas. By safeguarding the biodiversity of our delicately balanced ocean ecosystems, Sea Shepherd UK works to ensure their survival for future generations.

Surfers Against Sewage

<https://www.sas.org.uk/>

<https://www.facebook.com/SurfersAgainstSewage/>

<https://twitter.com/sascampaigns>

Not just surfers, not just sewage. We began as a response by the surfing community to the dreadful state of our beaches.

We're a community dedicated to the protection of oceans, waves, beaches and wildlife. We fight long and hard to protect what we love and we won't stop until it's completely clean, safe and protected for everyone, forever.

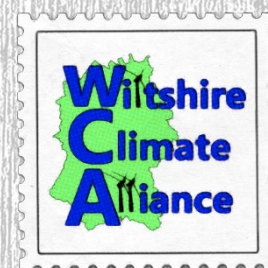

Wiltshire Climate Alliance

<https://www.wiltshireclimatealliance.org.uk/>

<https://www.facebook.com/WiltshireClimateAlliance/>

https://www.instagram.com/wiltshire_climate_alliance/

Wiltshire Climate Alliance is an umbrella organisation for groups and individuals who care about the challenges of climate change and the impact of human activity on the environment. When it comes to campaigning, we know that we are stronger together.

Winchester Action Climate Change

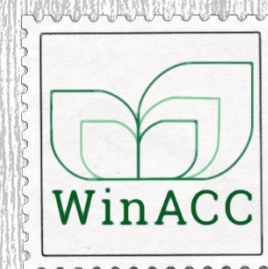

<https://www.winacc.org.uk/>

<https://www.facebook.com/winacc>

<https://twitter.com/winacc>

Email winacc@winacc.org.uk

Winchester Action on Climate Change (WinACC) works tirelessly to fight climate change across the whole of the Winchester district. Established in 2007, by the late Robert Hutchison, our work has never been more needed.

RECYCLING

Dorset Scrapstore

<https://dorsetscrapstore.org.uk/>

Our mission is simple - to provide a community crafting hub that facilitates the re-use of scrap materials. We want to help the Dorset community to use scrap resources for creative purposes, and we know that's possible from all the amazing makes our customers have created over the years! We love inspiring imaginations and saving money, by providing individuals, schools, clubs, students & families with access to affordable recycled craft making materials.

Dorset Scrapstore is a not for profit charity which relies on donations, grant funding and the efforts of a team of dedicated volunteers in order to exist. Money from the sale of materials is put back into our operating costs, such as shop rent, salaries of our part-time employees, and the cost of running our van.

Ideas2Action

<http://www.ideas2action.org.uk/>

Email contact@ideas2action.org.uk

We are a small charity and we run community recycling projects across Bournemouth and Poole. We are unique in that apart from the local Council's for Voluntary Service, we are the only charity supporting many other voluntary sector organisations.

Dorset Reclaim

<http://dorsetreclaim.org.uk/>

We are a not-for-profit furniture re-use project offering electrical and household goods donated from local people & businesses to the general public with additional discounts available for households on low incomes.

Recycle More

<https://www.recycle-more.co.uk/>

Recycle more is where you can find a recycling bank in Dorset for all recyclable materials, including council run recycling centres and recycling facilities at shops, stores, car parks and other locations.

Win on Waste
